Dear Friends

We, at Firlands Children's Home, are most grateful for your support and extend our heartfelt thanks to you for your lovely gifts of clothing, toiletries and snacks that you so generously provided for our children.

We provide care and development for 60 children, with ages ranging from 3 years to 18 years. We accommodate, without discrimination, children whose future is at risk because of circumstances outside of their control. They are placed in our care by the Courts. Even though these children are actually the responsibility of the State, the Welfare funding is only sufficient to cover about one third of their needs.

The support which we receive from the community is therefore really heart-warming and much appreciated.

Thank you and may the Lord bless you abundantly.

Yours sincerely
